Council 11483 recognizes the overwhelming demand on all Brothers and their families in light of the COVID-19 pandemic and subsequent need for social isolation. As such, the tasks of developing virtual meetings, supporting Brothers and their families with information and conducting the business of the Councils, Districts and Assemblies needs to be supported by additional Key Officers being allowed access to the Officers OnLine.

Therefore, be it resolved this 5th day of April, 2020, that the Florida State Council Knights of Columbus shall recognize the importance of allowing access to Officers OnLine at the Council level to the role of Deputy Grand Knight, at the Assembly level to the role of Assembly Captain and at the District level to the role of District Warden. This should be "read only" access at the same level as the Grand Knight, Faithful Navigator and District Deputy.
